

ANNEXURE

IOPscience (ESS package) 2019 renewal

Upon receipt of the payment of your 2019 IOPscience subscription outlined below the Term and Publications of your agreement with IOP Publishing Limited will be updated as per this document. All other terms and conditions remain as previously agreed.

Term

1 January 2019 – 31 December 2019

The Publications

For the avoidance of doubt, during each year of the term of this Licence, the Customer is entitled to access all available content for gold Open Access Publications and Publications which are no longer published, as well as a rolling maximum 10-year back-file of subscription and/or hybrid Publications (there may not actually be access to ten years' content for every Publication as this depends on how many years of electronic content are available). Accordingly, where it is stated below that the first year of back file available for such content is 2009 this applies to Year 1 only. In Year 2 the first year of backfile to be accessed would be 2010.

The Publications included in this Licence in 2019 are as follows:
