## **BITS Pilani Library**

# **YOUNG LEARNERS**

## **Section**

Reading can be an  
invaluable way to help  
boost your child's  
brain power!

Children, especially those at a young age, have an amazing potential to learn and advance. Let us help children tap into their potential by providing them with the appropriate materials and a supportive learning environment.

The **Young Learner's Section (YLS)** in the BITS Library is specially developed to encourage reading and make children smarter by developing critical thinking skills and building their vocabulary.

The main objective of YLS is to provide young children with activities that will hold their interest.

**Join today as an YLS member!**

The **YLS** provides an excellent opportunity for children who are in the age group of 5 to 15 years to get connected with the world of books such as Stories, Fairy Tales, Children's Fiction, Actions and adventure, Science Fiction, Education, Reference, Classics, Creativity, etc.

### **Who can become a member?**

Any Faculty or Staff of BITS Pilani whose children are in the age group of 5 – 15 years can become a member.

### **Entitlements:**

- Members can borrow **two books** at a time for **15 days**
- One can return books after two days and borrow new books.
- Membership is valid for one year from the date of joining which can be renewed after its expiry date.

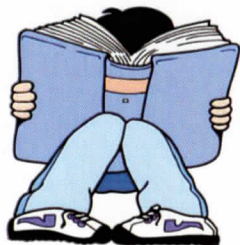

### **Timings of YLS**

**Monday to Saturday: 10 am to 8 pm**

**Sundays and Holidays : 10 am to 5 pm**

### **Please note:**

1. The children in arms (Less than three years old) are not allowed inside the library.
2. It is mandatory for parents to accompany their Children all the time while they are in the library and make sure that their movements are restricted to YLS only.
3. Their entry is restricted to Hall No. 5 only.
4. If any child is noticed crying, must be immediately taken out of the library as it would disturb other BITS Pilani students studying inside.
