

BITS Goa goes digital-secure

NT KURIOCIETY

BITS Pilani, K K Birla Goa Campus, has partnered with The Asia Foundation to set up a Cybersecurity Clinic aimed at enhancing digital security skills and promoting cyber awareness. The initiative is funded by Google.org.

The MoU signing was attended by Country Representative, Nandita Baruah of The Asia Foundation; Director, professor Suman Kundu of BITS Pilani Goa Campus; Associate Dean, professor R. P. Pradhan of International Programmes; and institute faculty members.

Led by professor, Hemant Rathore, the clinic will focus on research and training in cybersecurity fundamentals, cyber hygiene and applied secur-

ity practices. With this collaboration, BITS Pilani Goa becomes the first Indian university supported under the Google Cybersecurity Initiative.
