

Language Lab Practice

Writing _ Test 7

Read and respond to the prompts given in 350-500 words each.

You have 40 minutes for each writing task.

You may consult your reference/ textbook materials during the writing task.

Your writing will be evaluated based on the following criteria:

- a. The answer should be appropriate to the context.
- b. It should have an introduction, a body, and a conclusion.
- c. It should have a clear thesis statement (the key point around which the essay is written) and have adequate supporting details in the form of data, examples, and explanations.
- d. It should be organized in a logical order from the beginning till the end.
- e. It should be written in formal style.

Prompt 1

Cause – Effect Essay

Students' academic performance in university education is affected by several factors such as parental background and time management. Discuss some of the factors that you believe affect one's academic performance and subsequently their success in university education.

Prompt 2

Compare- Contrast Essay

OTT streaming services like Netflix, Amazon Prime, Hulu etc. have made it possible for viewers to access newly released films from the comfort of their home. However, some people feel that films must be viewed in theatres to enjoy them fully. Write an essay that compares and contrasts the movie watching experience in theatres versus at home.
