- Attempt All Three Questions.
  - All Questions Carry Equal Marks.
1. Define profession. What are the six features of the profession as a working concept? You may provide details of features and discuss the possible interconnectivity of these six features.
  2. Define ethics. State and discuss the Aristotelian perspective of virtue ethics, especially regarding his response to three questions: What does it mean to be a good human being? What the function of a human being is supposed to be? How are human beings supposed to use their rationality?
  3. Describe and analyze any three fundamental ideas of Business Ethics of your choice from the prescribed study material with special reference to the topic of “Corporate Social Responsibility.” You may conclude the answer with a critical assessment.
